

## Outcome Based Education & Accreditation

## About NBA

National Board of Accreditation (NBA) accredits the diploma/UG/PG courses offered in Engineering & Technology, Management, Pharmacy, Architecture, Applied Arts and Crafts, Computer Applications and Hospitality and Tourism Management streams. The NBA operates a two-tier system of accreditation for various technical programmes for Technical Programmes including undergraduate engineering programmes. The Tier –I document is made applicable to the engineering/technology programmes offered by academically autonomous institutions and by university departments and constituent colleges of the universities, whereas, the Tier-II documents is for the non-autonomous institutions, i.e., those colleges and technical institutions which are affiliated to a university. In both TIER-I and TIER-II documents, the same set of criteria have been prescribed for accreditation. In the TIER- I document, the criteria which are based on outcome parameters have been given more focus, whereas in the TIER-II document, the focus for outcome based criteria has been reduced, significantly, thereby enhancing the focus on the output based criteria.

# National Institute of Technology Silchar

AICTE Sponsored  
Five Day  
Faculty Development Program  
on  
Outcome Based Education  
and  
Accreditation

## Course Outline

- ✓ Outcome based Education – An overview
- ✓ Dos and Don'ts of visiting team
- ✓ Students' performance
- ✓ Faculty contribution
- ✓ Evaluation process
- ✓ PEO-PO-CO mapping
- ✓ Direct and indirect assessment
- ✓ Faculties and technical support
- ✓ Academic support units and teaching learning process
- ✓ Governance, institutional support and financial resources
- ✓ Continuous improvement

24<sup>th</sup> – 28<sup>th</sup> February 2021

## About NIT Silchar

National Institute of Technology Silchar is one of the 31 NITs of India and was established in 1967 as Regional Engineering College (REC) Silchar Assam. In 2002, it was upgraded to the status of NIT and was declared as Institute of National Importance under National Institute of Technology Act, 2007. It is located ten kilometers away from the city of Silchar in the state of Assam. NIT Silchar offers six UG and ten PG courses in various departments. The institute is well known for its notable work in the technical field. NIT has achieved 46<sup>th</sup> rank in Engineering in NIRF 2020 (9<sup>th</sup> among all NITs).

## Invited Speakers

**Prof. P. S. Grover**

Delhi University

**Prof. R. K. Challa**

NITTTR, Chandigarh

**Prof. B. S. Pabla**

NITTTR, Chandigarh

**Prof. S. Sofat**

PEC, Chandigarh

**Prof. H. S. Guruprasad**

BMS College of Engineering, Bengaluru

## Registration Information

Please fill the form available on the following link. The last date of application is **20-02-2021**.
