

Introduction

IEEE Antenna and Propagation Society Student Branch Chapter at NIT Silchar was formed under IEEE Kolkata Section, India on 7th June, 2018. The IEEE AP-S provides members with valuable opportunities to network at a local level. It enables personal and professional growth through conducting workshops, DL talks, seminars and social functions under the banner of IEEE AP-S Student Branch Chapter. AP-S offers members an affordable access to cutting-edge technical information covering antenna systems and electromagnetic wave propagation for wireless communication, sensing, medical, and other applications.

Objective

To provide access to current information, opportunities to network with peers, and to enhance the worldwide value of our profession.

To familiarize with recent research updates and incorporation of standard topics on antennas and propagation.

To offer a number of ways to get involved with technical and local communities actively involved with research, conferences, authorship, and important conversations about today's most relevant technical topics locally and globally.

Who can attend?

PhD scholars, PG & UG students, Faculty members and Researchers

Speaker

Prof. Debatosh Guha
Institute of Radio Physics and Electronics
University of Calcutta

Patron

Prof. Sivaji Bandopadhyay
Director, NIT Silchar

IEEE Student Branch Counselor

Prof. Fazal A. Talukdar
HOD, Department of ECE, NIT Silchar

IEEE Student Branch Chapter Advisor

Dr. Banani Basu
Assistant Professor, NIT Silchar

IEEE Student Branch Chapter Chair

Bidisha Hazarika
PhD Scholar, NIT Silchar

INAUGURATION OF IEEE ANTENNAS AND PROPAGATION SOCIETY STUDENT BRANCH CHAPTER

Organised By

**National Institute of Technology Silchar
In Association with
IEEE AP-S Student Branch Chapter**

Date: 13th January, 2019

Time: 3 PM

Venue: Virtual Class Room, CCC

Funded by
